# U. S. 7-30 LOAN. PUTNAWS CLOTHES WRINGER.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable in three years from BEST KEROSENE OIL. August 15th, 1964, with semi-annual interest at the rate of seven and three-feaths per cent, per annum:-principal and interest both to be publ

These notes will be convertible at the option of the holder at maturity, into six percent, gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Copper, Brass, or Iron Ware made by the best Government may elect. They will be bested in workmen. lars or some multiple of fifty dollars.

The notes will be transmitted to the owners little. free of transportation charges as soon after the and is now better prepared than ever before, to receipt of the original Certificates of Deposit as

they can be prepared. As the notes draw Interest from August 15th, PHOTOGRAPHS persons making deposits subseque by to that late must pay the interest accrued from date of

Parties depositing twenty-five thousand dol hirs and opwards for these notes at any one ON HAND YET, time will be allowed a commission of one-quarters of one per cent, which will be paid by the Treasury Department upon the receipt of a tell for the amount, certified to by the officer with wishes the continuance of the same, whom the deposit was made. No deductions for

### commissions must be made from the deposits. SPECIAL ADVANTAGES OF THIS LOAN.

IT IS A NATIONAL SAVINGS BANK, Offering a work than any one else, yet he is sure that his higher rate of interest than any other, and the work will compare favorably with that gotten up best security. Any savings bank which pays its paying in the best circulating medium of the country, and it consof pay in anything better, and no efforts will be spared necessary to please for its own assets are either in government ascurities or in notes or bands payable in govern-

ment paper. It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with

### banks as collaterals for discounts. Convertible into a 6 per cent. 5-20

Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion COMMON FURNITURE. is now worth about three per cent, per annum than othe per cent, premium, and before the war the premium on six per cent. U. S. Stocks was over twenty per cent. It will be seen that the

### actual profit on this loan, at the present market rate, is not less than ten per cent, per annum. Its Exemption from State or Municipal Taxation.

But neide from all the advantages we have onumerated, a special Act of Congress exempts all bands and Treaming Notes from local tazation On the average this exemption is worth about two per cent, per annum,, according to the rate of laxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole population of the country is held to secure the discharge of all obligations of the United States.

While the government offers the most liberal terms for its leans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Duplicate certificates will be issued for all deposits. The party depositing must endorse upnotes required, and whether they are to be issued in bank or payable to order. When secundorsed afforded, it must be left with the officer receiving the deposit, to be forwarded to the Treasury Depart
